

Required Training for Pharmacists and Technicians

Prior to the start of the study, you will complete 3 self-paced online training programs:

1. [CITI Program Training](#): You will register and complete two courses: (1) UVA IRB-HSR Researcher Basic Course (2 hr), and (2) GCP for Social and Behavioral Research Best Practices for Clinical Research (1 hr/3 CE available and UVA study will cover \$60 cost). These programs should be **completed first** and the completion certificates should be emailed to UVA QuitAid study team (QuitAid@virginia.edu). This training is necessary so you can be added to the study protocol to access the study database REDCap.
2. [Purdue University Tobacco Cessation Training](#): You will register for the *Tobacco Cessation: Behavioral Counseling & Pharmacotherapy* course. This course provides comprehensive tobacco cessation training for pharmacists. The modules cover ask-advise-connect, prescribing tobacco cessation medication, behavioral counseling, and pharmacotherapy.
3. [BMJ Motivational Interviewing Training](#): You will complete a 1-hour BMJ Learning course, *Motivational Interviewing in Brief Consultations* course.

The UVA research team will reimburse your CE/CME credit purchases through our study incentive program. Please email a copy of your itemized receipt to QuitAid@virginia.edu.

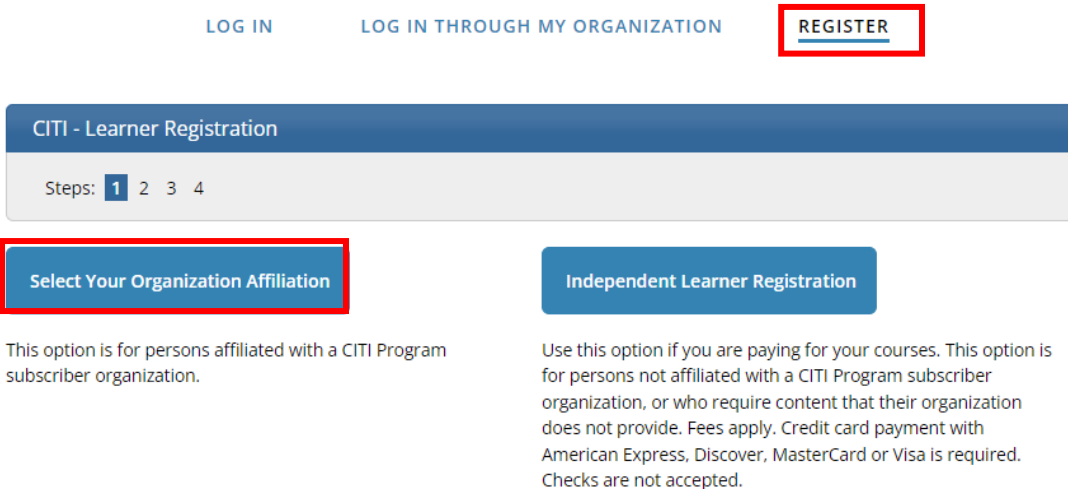

CITI TRAINING

HOW TO REGISTER FOR A CITI ACCOUNT

Step 1. Begin by going to the [CITI Website](#) and clicking “Register” at the top right of the page.

Step 2. Select “Register” on the top right and select “Select Your Organization Affiliation.”

Step 3. Enter “University of Virginia” in the box to find your organization. Next Agree to the terms of service and select “Create a CITI Program account.”

CITI - Learner Registration

Steps: **1** 2 3 4

Select Your Organization Affiliation

This option is for persons affiliated with a CITI Program subscriber organization.

To find your organization, enter its name in the box below, then pick from the list of choices provided. 

University of Virginia

University of Virginia allows the use of Single Sign On (SSO) or a CITI Program username/password for access.

Single Sign On (SSO) requires a username and password issued by University of Virginia.

I AGREE to the [Terms of Service](#) and [Privacy Policy](#) for accessing CITI Program materials

I affirm that I am an affiliate of University of Virginia.

[Log In with University of Virginia](#) or [Create a CITI Program account](#)

[Return to Options](#)

Step 4. Next you will be asked to create your login credentials using your UVA Netbadge ID given to you from REDCap registration. Your UVA Netbadge ID will be the same as your CITI username.

Do NOT use your personal or pharmacy email address for this registration process, as it will cause issues that will complicate adding you to the study in the UVA IT system.

CITI - Learner Registration - University of Virginia

Steps : 1 **2** 3 4

Personal Information

* indicates a required field.

* First Name

* Last Name

* Email Address

* Verify email address

We urge you to provide a second email address, if you have one, in case messages are blocked or you lose the ability to access the first one. If you forget your username or password, you can recover that information using either email address.

Secondary email address

Verify secondary email address

[Continue To Step 3](#)

Step 5. Next you will be asked to create a username and password.

CITI - Learner Registration - University of Virginia

Steps: [1](#) [2](#) **[3](#)** [4](#)

Create your Username and Password

* indicates a required field.

Your username should consist of 4 to 50 characters. Your username is not case sensitive; "A12B34CD" is the same as "a12b34cd". Once created, your username will be part of the completion report.

* User Name

Your password should consist of 8 to 50 characters. Your password IS case sensitive; "A12B34CD" is not the same as "a12b34cd".

* Password

* Verify Password

Please choose a security question and provide an answer that you will remember. **NOTE: If you forget your login information, you will have to provide this answer to the security question in order to access your account.**

* Security Question

* Security Answer

[Continue To Step 4](#)

Step 6. Finally, you will be asked to connect your ORCID if you have one, as well as enter your country of residence. After you have completed the form, click, "Finalize Registration."

CITI - Learner Registration - University of Virginia

Steps: [1](#) [2](#) [3](#) **4**

* indicates a required field.

Would you like to connect your ORCID[®] iD to your CITI Program account? 

 Connect your ORCID iD

* Country of Residence

Search for country: Enter full or partial name (e.g., "United States") OR your country's two or three character abbreviation (e.g., "US", "USA"), then pick from the list of choices provided.

* May we contact you to provide information about other courses and services after you complete your CITI Program coursework? 

Yes
 No

[Finalize Registration](#)

HOW TO LINK AN ALREADY EXISTING CITI ACCOUNT

If you have previously taken CITI training at another institution, you must go to the CITI site, add UVA to your affiliations, and complete the UVA CITI Basic Course appropriate to your role in research.

The CITI program will determine which additional modules you will need to take at UVA. NOTE: You must use your UVA Netbadge ID as your CITI username.

Users who have not yet associated their CITI account(s) with their Netbadge login should follow instructions to associate their CITI account(s) with their UVA Netbadge ID.

First, you will login through the CITI program website, where you will see this screen:

[LOG IN](#)

LOG IN THROUGH MY ORGANIZATION

[REGISTER](#)

Username	Forgot?
Password	Forgot?
<input type="button" value="Log In"/>	

New to the CITI Program? Read the [getting started guide](#) or watch the [getting started video](#).

You will be presented with the UVA Netbadge login screen after selecting “Log In Through My Organization.” When you have completed a successful Netbadge login:

- Users who have not yet associated their CITI account(s) with their Netbadge login will be shown instructions to associate their CITI account(s) with their Netbadge login.
- Users who have already associated their CITI account(s) with their Netbadge login will be taken directly to their CITI profile page where they can directly access the “University of Virginia Courses.” **[There is nothing else for you to do if you see this screen – your login and association to UVA is complete.]**

If you need to connect your CITI account to your UVA Netbadge.

LOG IN

LOG IN THROUGH MY INSTITUTION

REGISTER

Associate your SSO account with a CITI Program account

Please choose an option:

- I already have a CITI Program account.
- I don't have a CITI Program account and I need to create one.

Link to an existing CITI Program account

To link your existing CITI Program account to your SSO account, please log in to your CITI Program account.

* indicates a required field.

CITI Program Username *

CITI Program Password *

Log In

[Did you forget your CITI Program account username or password?](#)

If you have an existing CITI Program account and can remember the username and password to log in, this process allows you to log into CITI using CITI credentials and then will match your account your Institution ID for a one-time connection.

After you have completed this step once, during all other logins to CITI, you should be able to log into CITI Program via the “Log in Through my Institution” link. If you are not already affiliated with any other institution prior to affiliating yourself with UVA, the interface link-up will only add UVA to your CITI existing account.

HOW TO ADD COURSES

Step 1. To add a course, select “My Courses.”

My Courses

My Records

My CE/CMEs

Support

Step 2. Next, select “View Courses” under “University of Virginia.”

Institutional Courses

Institutional Courses are available to learners who have an affiliation with one or more subscribing institutions. If an institution with which you are affiliated is not listed, you may want to [add an affiliation](#). If you are no longer associated with a listed institution, you may want to [remove an affiliation](#).

Would you like to affiliate with another Institution?

Add Affiliation

Would you like to remove an existing affiliation?

Remove Affiliation

Step 3. Next, select “Add a course”.

For **Question 1**, select IRB-HSR Researcher Basic Course. *Do not select any other courses.*

For **Question 2**, select GCP for Social and Behavioral Research Best Practices for Clinical Research.

For **Questions 4-13**, select “Not at this time” or “No.”

These courses should now appear in your profile as incomplete.

Select Curriculum

University of Virginia

[View instructions page.](#)

Question 1

Human Subjects Research

Please select your role or research focus in human subjects research, you will be enrolled in the course for that group.

I. Research Overseen by the IRB-HSR

- IRB-HSR RESEARCHER BASIC COURSE
Check this box if you are a health sciences researcher (IRB-HSR researcher)
- IRB-HSR RESEARCHER REFRESHER COURSE
Check this box ONLY if you have previously completed an IRB-HSR Basic Course
- IRB-HSR STAFF/BOARD MEMBER BASIC COURSE
Check this box if you are a health sciences IRB Staff or Board Member (IRB-HSR Board/Staff)
- IRB-HSR STAFF/BOARD MEMBER REFRESHER COURSE
Check this box ONLY if you have previously taken the IRB for Health Sciences

Step 4. From your profile page, you will click on each course title under “Active Courses” to begin and complete.

Note, if you log out midway through a course and login again, you will be able to see how many sections of each course you have completed and how many you have left to do.

You will be able to start from your first incomplete course and not have to start each course from the beginning.

HOW TO GET CE CREDIT

Step 1. Select “My CE/CMEs.”

Step 2. You can choose to register for credit.

Your CE Credit Status

CITI is pleased to offer CE credits and units for purchase to learners qualifying for CE eligibility while concurrently meeting their institutions training requirements.

CE credits/units for physicians, psychologists, nurses, social workers and other professions allowed to use AMA PRA Category 1 credits for re-certification are available for most CITI courses – please see “Course List” link under the “CE Credits” tab on login page for details.

Please register your interest for CE credits below by checking the “YES” or “NO” dots, and, when applicable, types of credits you wish to earn at bottom of page. Please read texts entered for each option carefully.

- YES**
At the start of your course, you will be prompted to click on a “CE Information” page link located at the top of your grade book and to VIEW and ACKNOWLEDGE accreditation and credit designation statements, learning objectives, faculty disclosures, types, number and costs of credits available for your course.
- NO**
The CE functionality will not be activated for your course. Credits and units will therefore not be available to you for purchase **after** you start your course. You can change your preference to “YES” before such time however by clicking on the “CE Credit Status” tab located at the top of your grade book page.

Step 3. Next you will choose the type of credit you’d like to earn.

If you picked "YES", please check below the one type of credit you would like to earn.

- Athletic Trainers - BOC Category A Hours
- Dentists - ADA CERP Credits
- Dietitians - CDR Continuing Professional Education Units
- MDs, DOs, PAs - AMA PRA Category 1 Credits™
- Nurses - ANCC CNE
- Optometrists - COPE CE Credits
- Other Participants - Certificates of Participation
- Pharmacists - CPE Credits**
- Psychologists - CE Credits
- Social Workers - CE Credits

Submit

Step 4. Follow the remaining steps to purchase your CE credits. The UVA research team will reimburse your CE/CME credit purchases through our study incentive program. Please email a copy of your receipt to QuitAid@virginia.edu

PURDUE UNIVERSITY TOBACCO CESSATION TRAINING

REGISTER FOR THE COURSE

Step 1. Begin by going to the Purdue Tobacco Cessation Continuing Education [website](#) for the course titled “Tobacco Cessation: Behavioral Counseling and Pharmacotherapy.”

Select “+ Add to Card.”

Tobacco Cessation

Behavioral Counseling & Pharmacotherapy

SECTION DETAILS

Course Section	+ Add to Cart
Schedule Number:	26819
Instructor(s):	Staff

Contact Hours:	2.5 Contact Hours

COURSE DESCRIPTION

Behavioral Counseling & Pharmacotherapy

Needs - There is a need to educate clinicians regarding the negative health effects of tobacco use, the most effective medication approaches for tobacco cessation and services provided by the tobacco quitline.

Audience - This activity is designed for pharmacists, physicians, nurses and other healthcare providers.

Learning Objectives - At the completion of this activity, the participant will be able to:

1. List five health risks associated with chronic tobacco use.

Step 2. Make sure the page looks correct, then proceed to checkout.

[Continue Shopping](#)

Step 3. Create a new account.

NOTE: Purdue University Online does **not** provide Purdue email account. If you don't have a Purdue email account, please use your own email account to register or login.

HOW TO RECEIVE CE CREDIT

Step 1. To receive CE/CME credit, you must view the content, complete the post-test with a 70% passing score and complete the evaluation and request for credit.

If you receive less than a 70% score on the post-test, you will have the opportunity to re-view the video and re-take the post-test.

Pharmacist Technician credits will be uploaded to CE/CME Monitor within 30 days.

Please direct questions to the following:

Accreditation: Dawn Sinclair, Purdue University – sinclair@purdue.edu

Step 4. You will now be able to begin the module.

Motivational interviewing in brief consultations

Learning outcomes

After completing this module, you should:

- Understand what motivational interviewing is
- Appreciate how it can be used to improve outcomes for patients
- Recognise situations where motivational interviewing is useful, as well as situations where it is less useful
- Begin to develop an understanding of theoretical explanations for motivational interviewing
- Appreciate how motivational interviewing can work in practice, within a number of different clinical scenarios.
